

SINCLAIRSLAW Ltd

**Chambers and Partners and Legal 500 ranked
firm practising in Cardiff and London E1**

**We are expanding and recruiting specialist
education, community care and public law
litigators in both our Cardiff and London
Offices**

We are seeking full-time solicitors (desirably with a minimum of 2 years PQE) in both of our main offices to handle a diverse and interesting caseload which is part of our renowned education, community care and public law practice. We act for clients in various matters in claims against schools, universities, and other education providers as well as local authorities and central government bodies, with a particular focus on judicial review, breach of contract, negligence, discrimination, tribunal appeals, and human rights cases. The capacity of our main office in Cardiff is being substantially increased. There are also opportunities in our current London office. We are also keen to further expand our work involving claims against public authorities for which we have a legal aid contract.

Competitive salary (depending on experience) in the range of 35k to 50K. Applicants with greater seniority are invited because higher remuneration is negotiable.
